Montage van de wand.

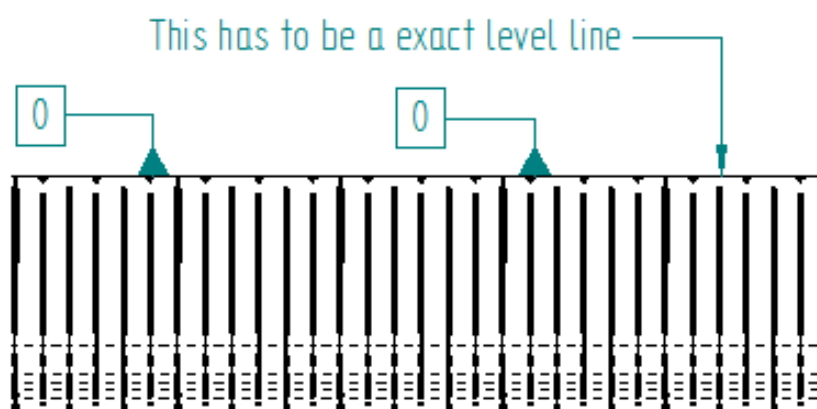

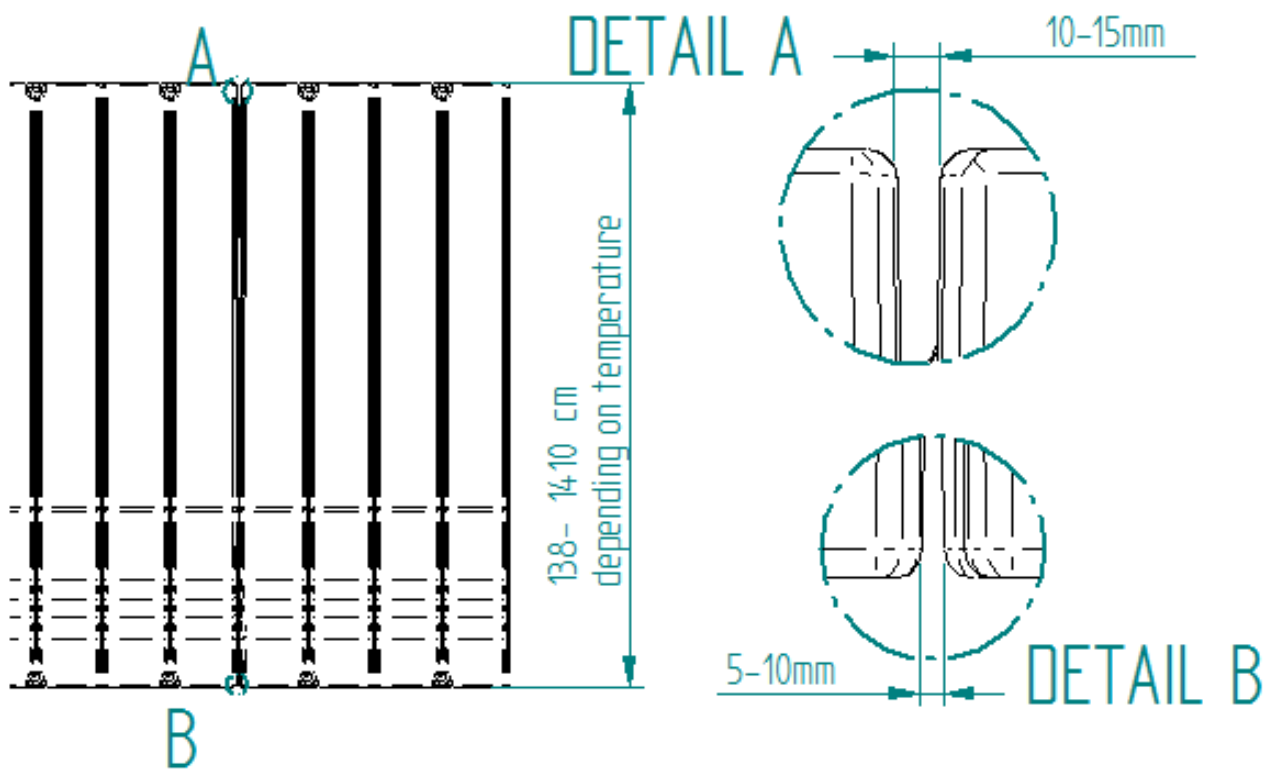

Zorg er voor dat de achter constructie in zijn geheel vlak en recht is. Plaats de panelen met de bovenzijde gelijk aan de bovenzijde van de achter constructie, zorg ervoor dat deze vlak blijft.

Fixing the panels.

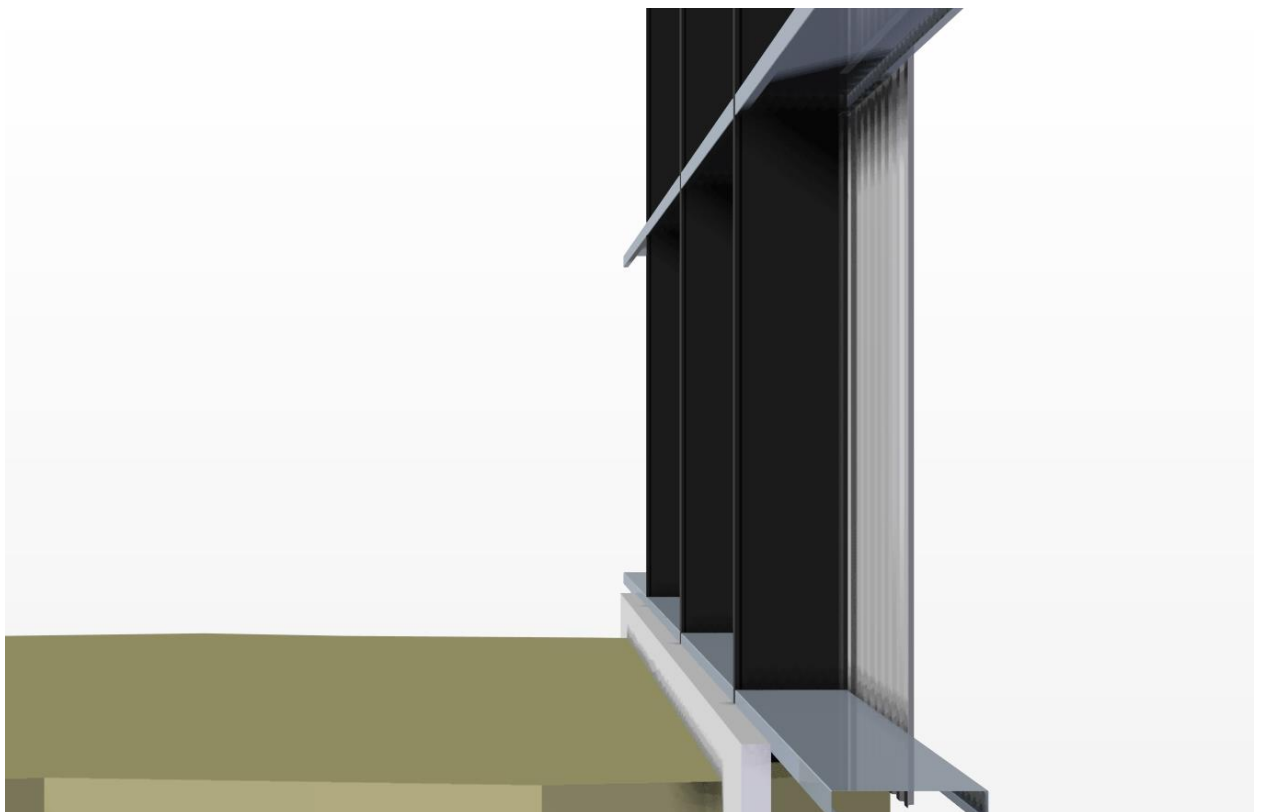

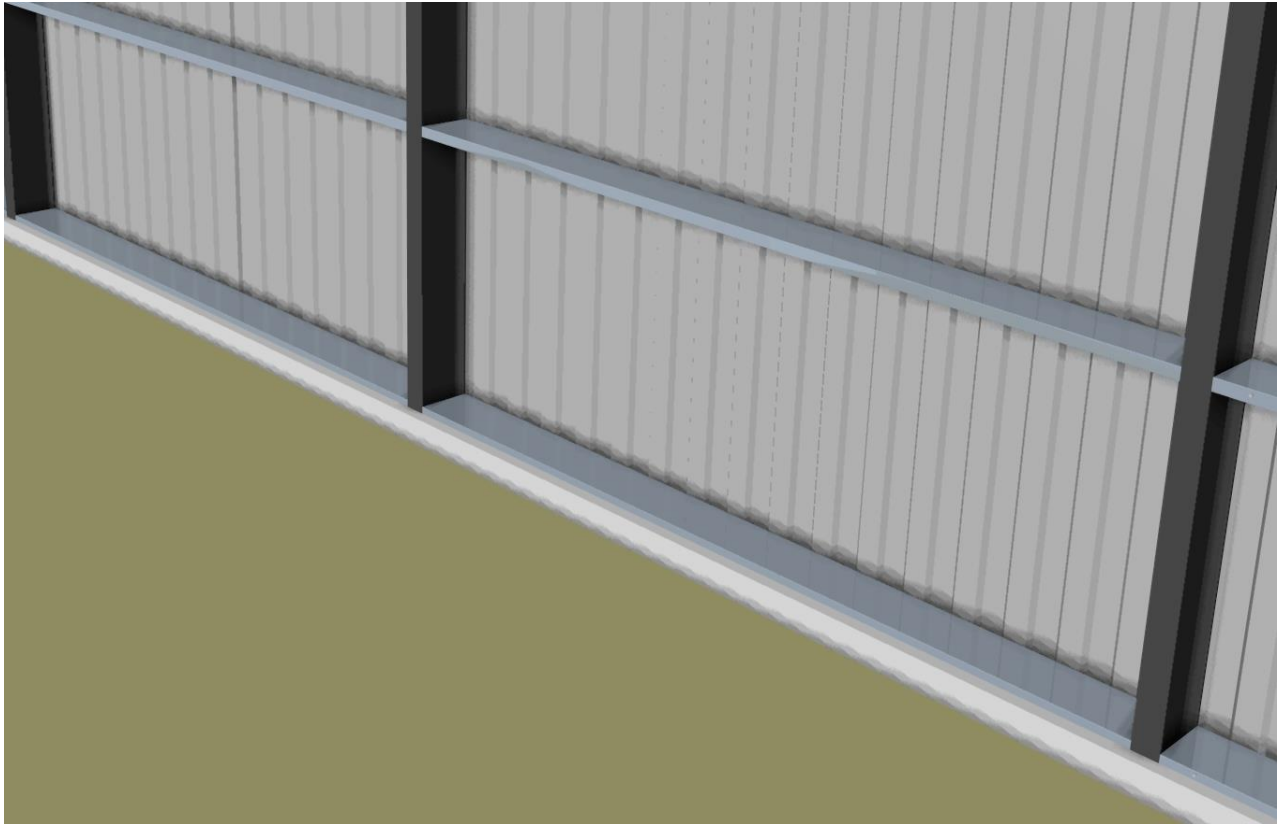

Make sure that the construction for the panels is straight and level. Fix the panels with the top side level with the back construction, make sure you stay level.

Panele montieren.

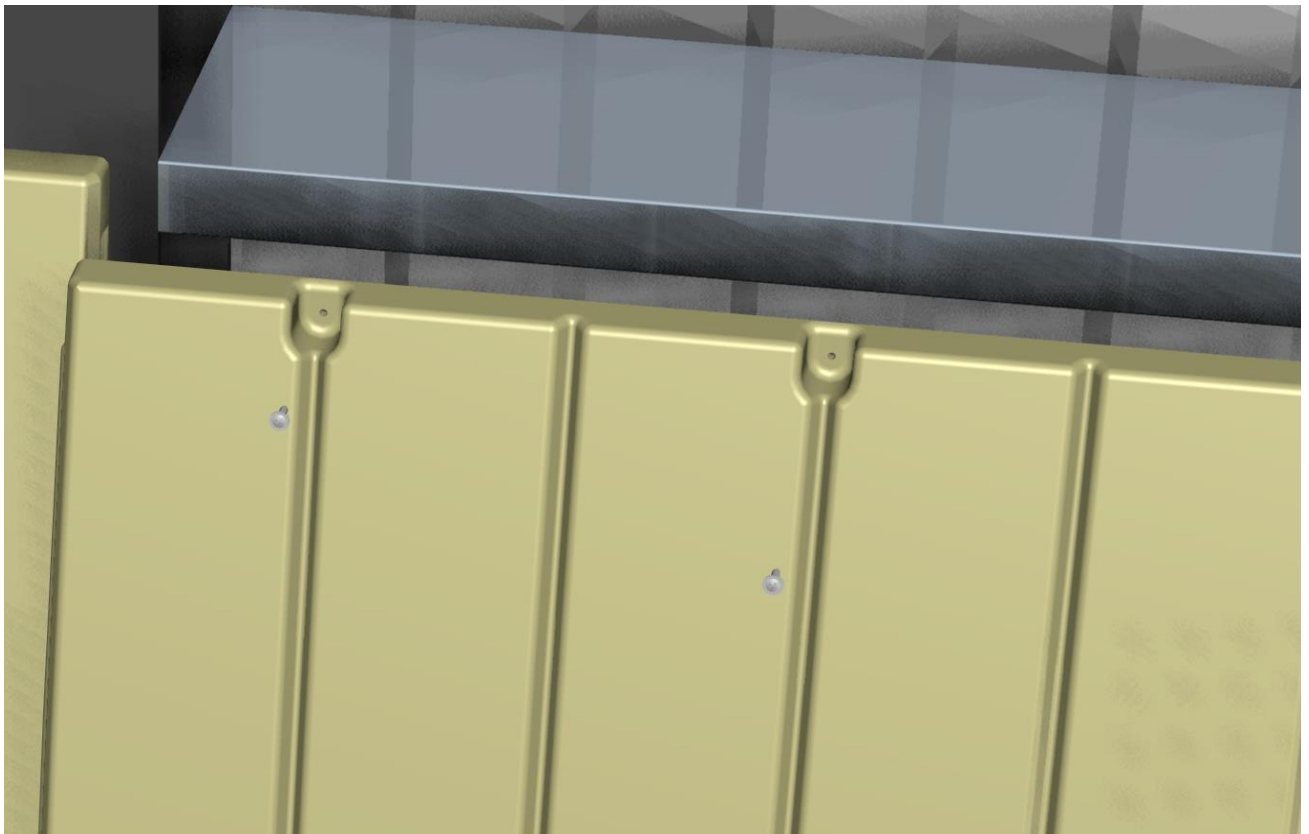

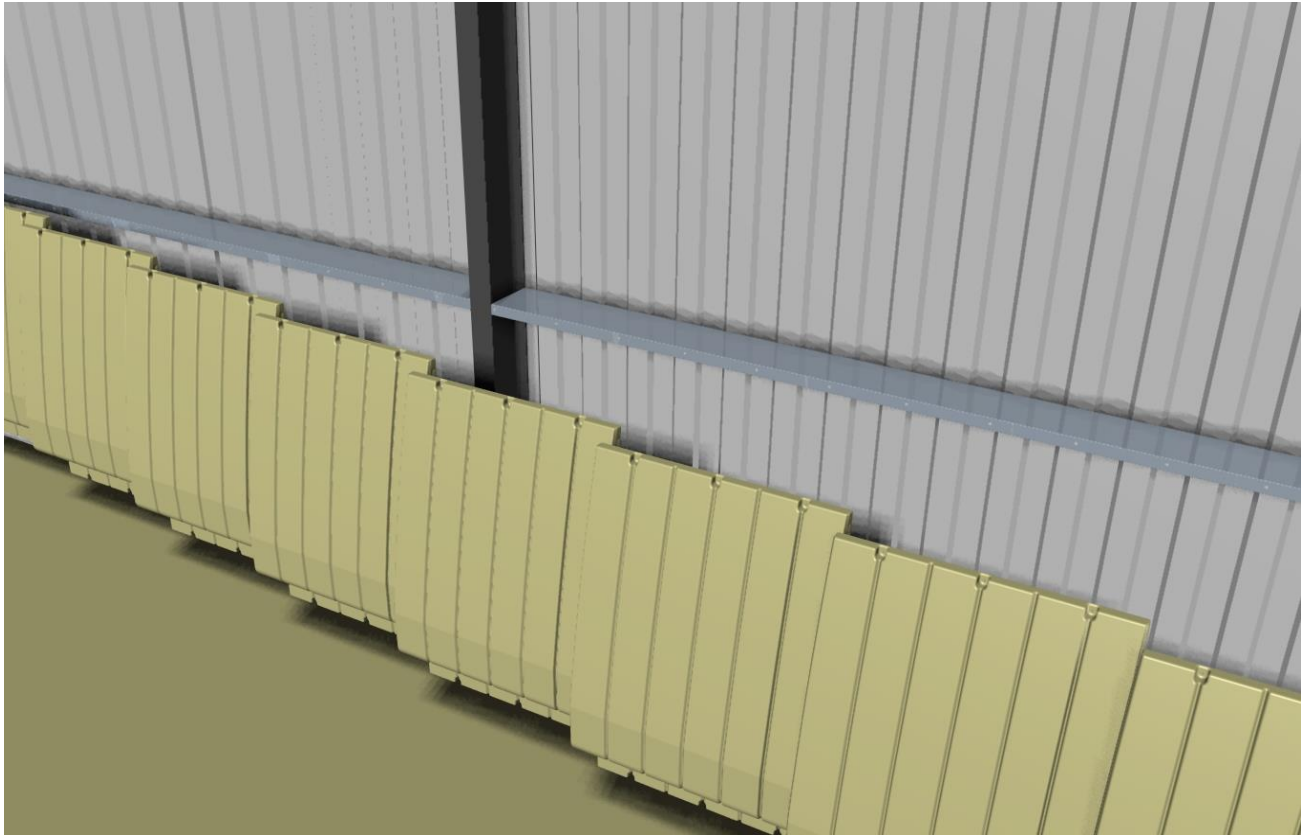

Sehen Sie sicher das die hinter Konstruktion flach und gerade ist. Montiere die Panele mit die Oberseiten gleich mit Oberseite von hinter Konstruktion. Bleiben Sie flach.
